

“Poseidon Challenge” seminar in Singapore – March 2006

Alistair Groom, Chairman of the International Group, was invited to address delegates at the Intertanko annual seminar held in Singapore on 31 March as part of the “Poseidon Challenge” initiative aimed at encouraging all participants in the chain of shipping responsibility in a commitment to continuous improvement and achieving the goals of “zero fatalities, zero pollution and zero detentions”.

Mr Groom emphasised the continuing commitment of the International Group clubs to improving quality standards in shipping and expressed Group support for the objectives of the “Poseidon Challenge”.
